Over Caps

with button and straw holder

Weener Plastics developed a range of aerosol over caps with integral holders for a button and a capillary straw. The caps are available in four diameters: 52, 57, 65 and 70 mm, each with a different height.

| Product Code | Ø | Height | Fits on | Material | Finish |
|--------------------|-------|--------|----------------|----------|----------------|
| NB 52/47 | 52 mm | 47 mm | necked in cans | PP | gloss |
| NB 57/51 | 57 mm | 51 mm | necked in cans | PP | gloss |
| NB(M) 65/50 | 65 mm | 50 mm | necked in cans | PP | gloss and matt |
| TB 70/56 | 70 mm | 56 mm | straight cans | PE | gloss |

Also available are aerosol over caps with just a clip to store a capillary straw. These caps are available in four diameters: 45, 52, 57 and 65 mm, each with a different height.

| Product Code | Ø | Height | Fits on | Material | Finish |
|-----------------|-------|--------|----------------|----------|--------|
| NK 45/45 | 45 mm | 45 mm | necked in cans | PP | gloss |
| NK 52/47 | 52 mm | 47 mm | necked in cans | PP | gloss |
| NK 57/51 | 57 mm | 51 mm | necked in cans | PP | gloss |
| NK 65/50 | 65 mm | 50 mm | necked in cans | PP | gloss |
